

PARK REGULATIONS

Entering the park implies acceptance of these regulations.

BISC'ADVENTURE® has four activity areas:

- . A treetop adventure course (P.A.H.) equipped with continuous lifelines.
- . An inflatable structure for children of 2 to 4 years of age.
- . THRILL Seekers: Free Jump; Giant Catapult; Big Jump; Climbing Wall - Climbing Tree.
- . CHALLENGE activities: Archery Game; Gel Blaster; Disc Golf.

BISC'ADVENTURE PARK® (applies to all persons on the site)

General:

The park's visitor and activities capacity is intentionally limited for your safety and enjoyment. You may be denied entry at any time: it is advisable to book in advance.

Each participant is considered to be a third-party with regard to the other participants and states being insured for their civil liability.

Requirements for accessing the site:

- Members of the public are prohibited from accessing the facilities outside of the opening hours.
 - All persons on the site must have first taken out civil liability insurance.
- Obey all signs, markers and pathways. Do not obstruct participants by moving around or standing near the structures. It is forbidden to run in the alleys.
- It is forbidden to smoke or to light a naked flame in the play area. Dogs must be kept on leads.
 - Picnics are allowed in the specified picnic area (as long as there is enough space available) but are forbidden in the play and activity areas.
 - You are asked to take **particular care of the environment**. It is forbidden to damage trees or plants (do not trample them; do not go beyond the barriers, etc.).
 - The play area is in a natural environment and it may contain hazards: roots, holes, various obstacles, etc. Injury is possible (impacts, slips, scratches, etc.) and so to minimise the risks, it is essential to comply with these park regulations.

Requirements for accessing the activities:

Anyone wanting to take part in the activities must **read and agree to the park regulations** and must pay the entrance fee. By entering the site, as a group or as an individual, you accept these park regulations. Management may exclude any person not complying with these park regulations. In no case will a refund be made. **You are responsible for strictly complying with the safety instructions.**

Only **people who are physically and mentally fit** enough to comply with the safety requirements will be able to take part in the activities on the BISC'ADVENTURE® site. Any comment or issue that could result in a risk in taking part in BISC'ADVENTURE® activities must be reported to BISC'ADVENTURE® staff. Management reserves the right to exclude any person:

- who does not comply with the safety instructions.
- whose behaviour is dangerous to him/herself or others.
- who is disrespectful to other people, the facilities or the environment.

Medical contraindications to taking part in the activities:

Consumption of alcohol, drugs or other substances that modify the behaviour of the participant or affect their abilities: Pregnancy, high blood pressure, heart disease, joint disease, neurological conditions, epilepsy, diabetes, Ménière's disease.

If the participant has one of these contraindications, a medical certificate, not more than 30 days' old, attesting to the participant's fitness to take part in the activities offered by BISC'ADVENTURE® must be provided. If the participant is unable to present such a medical certificate, he or she will be unable to take part in the activities. The participant must not be suffering from medical problems that could be made worse.

Participants must be able to see and hear BISC'ADVENTURE® staff.

Children under the age of 18:

Children under the age of 18 remain the responsibility of their parents or the person accompanying them. Minors **under 14 years of age must be accompanied by a responsible adult** when registering. This adult must have followed the safety instructions and must be present on site throughout the duration of the activity.

Weather conditions:

Management reserves the right to cancel its services or to temporarily or permanently stop them in the event of bad weather conditions (gusts of wind, thunderstorm, strong wind, heavy precipitation (rain or snow, etc.)) that could endanger you, without compensation.

Various:

Regarding your data freedom rights, please inform us if you do not agree to being photographed or filmed.

BISC'ADVENTURE® accepts no liability if the safety instructions and these park regulations are not complied with.

TREETOP ADVENTURE COURSE

The entry ticket is valid for the whole day (except for groups in summer) and expires as soon as you hand your equipment back in. The entry ticket is individual and cannot be reimbursed or exchanged with another person. If the management decides to suspend the activity, and if the ticket holder has spent less than two hours in the park (as attested by the time indicated on the receipt), the ticket's validity will be renewed.

Definition of the activity:

BISC'ADVENTURE® offers a treetop adventure course. (Treetop Adventure Course). The treetop course enables participants to **independently** make their way through and across trees and other natural and man-made supports, much like an acrobat! The courses comprise fixed structures which are open for people to use **without specific monitoring or guidance**. The various protective devices include **equipment designed to reduce the consequences of falls and collisions**. **The treetop adventure course has certain inherent risks** which cannot be fully eliminated.

You are responsible for your safety and for closely following the safety instructions. These safety instructions include:

- those given by BISC'ADVENTURE® staff
- those presented in the "Safety instructions" DVD which **all** participants must watch.
- those specified on signs.

Access requirements:

- from **4 years of age**: 3 Orange courses + 1 bouncy castle. No access for adults and children over 1.3 m.
- from 6 years of age and 1.2 m: 1 White course, 2 Yellow courses, 2 Green courses, 2 Violet courses, 1 Super Violet course.
- from 1.4 m: 3 Blue courses, 2 Red courses and 2 Black courses. *Possibility of accessing the White, Yellow, Green, Violet, Super Violet courses.*

Safety:

BISC'ADVENTURE® offers more than 200 different activities spread across 18 colour-coded courses of increasing difficulty and height. All the courses are equipped **with a continuous lifeline**, a unique and permanent safety system.

You connect your pulley at the start of the course and disconnect it at the end.

At BISC'ADVENTURE®, operators monitor the activity by zone. Monitoring points are located at the start of the courses. This allows operators to assess each participant on the implementation and operation of the safety system.

Comply with the instructions on how to use the equipment and the activities: a maximum of 2 people on the structures, and 1 person on the zip-line and Tarzan Jump; a maximum of 3 people on the platforms; do not stand or move around under the platforms.

Equipment:

All participants must be kitted out by an operator working at BISC'ADVENTURE®. This equipment is adjusted to your size. Participants are forbidden from removing or adjusting their safety equipment by themselves.

Choose the course level that matches your abilities. Our staff are there to advise you.

INFLATABLE STRUCTURE for children of 2 to 4 years of age

- . Children accessing this structure are under the responsibility of their parents or designated accompanying adults. Children must not be left inside inflatable structures unattended.
- . The management disclaims all liability in the event of an accident.
- . All children accessing the bouncy castle must **have paid their admission fee** (at the reception) and be at **least 2 years of age and at most 4 years of age** (Manufacturer standard). **The number of participants within the enclosure of the inflatable structure is 10.**
- . Shoes may not be worn in the play area. Socks must be worn in the play area.
- . Legal action may be taken in the event of any intentional damage. Please respect the premises and the equipment.
- . For health reasons, children showing the least sign of illness (fever, cold, abnormal cough, vomiting, etc.) or temporarily injured (plaster cast, stitches, etc.) will not be admitted.
- . Animals are prohibited within the enclosure of the bouncy castle.
- . Eating, chewing chewing-gum or drinking is prohibited in the play area.
- . Objects that could prove dangerous (pointed, sharp, flammable, etc.) are prohibited.
- . Children must not wear a shawl, scarf or garments with a drawstring around the neck. It is strongly recommended that glasses, watches and jewellery are removed.
- . Climbing on the nets is forbidden (inside and outside the equipment item) as is going down the slide backwards.
- . BISC'ADVENTURE® reserves the right to temporarily or permanently exclude children whose behaviour endangers the safety or physical or mental well-being of other children (the adult in charge of them will be asked to come and fetch the child).
- . When very busy, for safety reasons, the management may postpone or refuse admission.

Parent / Accompanying adult:

Your presence implies that you have taken note of these park regulations and that you accept their terms.

PLEASE EXPLAIN ALL OF THESE RULES TO YOUR CHILDREN

THRILL SEEKERS

All participants must read and agree to the safety instructions, specifying any medical contraindications. Participants must present a token or wristband to the member(s) of staff supervising the activity. **In the event of a refusal, no token will be refunded or exchanged.**

Safety:

When participating in Thrill Seekers activities, it is important to:

- remove any object from your person that may fall to the ground; remove your glasses; ensure your shoes are secured
- never touch the safety equipment
- do not access the structure without being invited to do so, and without having received instructions from the supervising staff

GIANT CATAPULT (CATAPULTE GÉANTE)

Definition of the activity:

The *Giant Catapult* is an activity which vertically ejects the participant by using elastic cords attached to the person via a harness. BISC'ADVENTURE® staff place the participant in the middle of the structure and fit him or her with a harness equipped with shoulder straps. This harness is connected to the base via a "release hook". BISC'ADVENTURE® staff then tauten the elastic cords attached to the sides before opening the "release hook". The participant is then ejected to a height of up to 18 metres in 2 seconds, experiencing a force of 3.5 G.

Access requirements:

Admission to the *Giant CATAPULT* is restricted to persons 10 years of age or over, who are at least 1.40 m tall and who weigh between 35 kg and 110 kg. **1 Giant CATAPULT ejection = 9 Euros**

Safety:

Important:

- hold on to the straps on either side of the harness.
- Keep your head straight by stiffening your neck slightly; keep your legs straight and firm (brace yourself).

FREE JUMP

Definition of the activity:

The FREE JUMP is an activity that involves jumping from a platform (5 m and 7.5 m) down onto an air mattress that cushions the fall. The mattress is much like the ones used by professional stuntmen. The FREE JUMP is supervised and managed by BISC'ADVENTURE® staff.

Access requirements:

The 5 metre jumping platform is suitable for **those aged 6 and over and weighing more than 25 kg** (yellow wristband).

The 7.5 m jumping platform is suitable for those over 1.4 m, after a first jump from 5 metres and provided they have permission from the member of staff supervising the activity (blue wristband). **2 FREE JUMP jumps = 6 Euros**

Safety:

Important:

- jump only when instructed to do so by the supervisor.
- aim for the centre of the mattress (target), land on your backside or back, with your hands on your chest.
- get off the mattress in the indicated direction, feet first, by sliding on your backside (like on a sled).

CLIMBING WALL and CLIMBING TREE

Definition of the activity:

BISC'ADVENTURE® offers a climbing activity on:

- on a 10 m high man-made wall with 3 routes of increasing difficulty.
- a tree with a route 15m high.

Access requirements:

Admission to the *CLIMBING WALL* and the *CLIMBING TREE* is restricted to persons **6 years of age who weigh at least 25kg** (yellow wristband).

25 minutes on the CLIMBING WALL & CLIMBING TREE = 6€uros

Safety:

The participant's safety and descent are ensured by a TRUBLUE safety system (1 system per route).

The participant is equipped with a harness. These harnesses are classified by size and colour.

The BISC'ADVENTURE® staff check that the equipment is fitted correctly and connect it to the safety system via a locking carabiner. Important:

- do not begin climbing until you obtain permission from BISC'ADVENTURE® staff.
- do not climb a route which doesn't match the safety system to which you are attached.
- sit in your climbing harness whilst descending.
- do not remain under a climber.

BIG JUMP

Definition of the activity:

The BIG jump is an activity which consists in jumping from a 15 m high platform. The participant uses a ladder to climb to the top of the tower, stands at the edge of the platform and jumps.

Access requirements:

Access to the *BIG JUMP* is restricted to persons **10 years of age and over and weighing at least 35 kg**

1 BIG JUMP (1 attempt) = **9 Euros**

Safety:

The participant's safety and descent are ensured by a QUICKJUMP safety system. The participant is equipped with a full body harness. The BISC'ADVENTURE® staff check that the equipment is fitted correctly and connect it to the safety system via a locking carabiner. Important:

- do not begin climbing the ladder until you obtain permission from the staff supervising the activity
- position yourself facing forward and jump whilst sitting in the harness
- do not remain in the landing area

CHALLENGE ACTIVITIES

ARCHERY GAME and GEL BLASTER

The Archery Game and the Gel Blaster are fun activities. They are not contact sports but are nevertheless intensely physical. *See "Game Rules"*. The participants acknowledge that they are in good health and have no contraindication to practising the Archery Game and Gel Blaster activities.

Access requirements:

The Archery Game and Gel Blaster activities offered at BISC'ADVENTURE® are **accessible from 6 years of age**.

1 session – 15mn = 7 Euros (*Gel Blaster: 1500 balls*)

additional session – 15mn = 5 Euros (*Gel Blaster: +1500 balls*)

Necessary attire:

Trainers. Open shoes prohibited (such as sandals or flip-flops). Long clothing recommended e.g. Trousers / Long-sleeve T-shirt. Jewellery, various accessories and any items which could cause an injury (glasses, scarves, etc.) are prohibited.

BISC'ADVENTURE® disclaims all liability for damage or soiling to participants' clothing.

Equipment:

Each participant wears and carries equipment they need to control:

Archery Game: 1 bow + 3 arrows with foam tip + 1 protective mask + 1 forearm shield.

Gel Blaster: 1 Blaster + 1500 balls + 1 protective mask

The management reserves the right to ask for a deposit before any use and before any service. If it does not do so at the beginning, it may request you pay for damage caused to equipment or materials due to non-compliance with the safety and use rules.

Specific rules:

When playing the Archery Game and Gel Blaster games, it is prohibited to:

- remove your protective equipment.
- aim or shoot at an adversary less than 5 metres away and at any person not taking part in the game session.
- use the bow, arrows and blaster outside a game session and outside the specific play area.

Any damaged equipment must not be used.

Behaviour:

A briefing is mandatory for all participants.

BISC'ADVENTURE® staff manage and decide on the Archery Game and Gel Blaster games: there is only one boss.

The following are prohibited: any physical contact between players: climbing or running on the facilities; demonstrating aggressive behaviour; entering the play area without permission.

DISC GOLF

Disc Golf is a Flying Disc sport (Frisbee) of NATURE and the OPEN AIR. It is a technical discipline, requiring concentration and accuracy, combining WALKING and THROWING. The aim is to finish a course made up of different holes in as few disc (frisbee) throws as possible. This sport is popular because it is FUN to play and INTERGENERATIONAL.

The DISC GOLF activity, unsupervised, is under the participant's entire RESPONSIBILITY.

Access requirements:

The Disc Golf course offered at BISC'AVENTURE® can be **accessed from 6 years of age**. Number of participants: 2 to 4 players per team;
1 9-hole course= 7 €uros per player.

Necessary attire:

Trainers. Open shoes prohibited (such as sandals or flip-flops).

BISC'AVENTURE® disclaims all liability for damage or soiling to participants' clothing.

Equipment:

Each participant has a coloured disc (frisbee).

The management reserves the right to ask for a deposit before any use and before any service. If it does not do so at the beginning, it may request you pay for damage caused to equipment or materials due to non-compliance with the safety and use rules.

Specific rules:

Before throwing the disc, look around you carefully and check that nobody could be hit by the disc. The participants must play in turn staying well back from the player who is throwing (the player the furthest away from the basket).

When playing Disc Golf, it is prohibited to:

- **climb on the baskets.**
- **leave the walkways indicated on the sheets.**
- **intentionally throw the disc outside the play area.**

Any damaged equipment must not be used.

Behaviour:

The main value of DISC GOLF is courtesy. Comply with the game and safety rules and respect the other players.

Respect the environment, the site on which you are playing, its flora, its fauna, its facilities and its users.

It is prohibited to enter the play area without permission.
